Chris,

Just a heads up, I've submitted the NBU #10-W18 to Osage. The MIT was just recently done, so it is not included.

Also, wanted to check on the status of the following ATIs that passed technical review and MIT:

NBU #26-W25
NBU #26-W57
NBU #34-W57
NBU #12-W57
NBU #18-W21

Thanks!

Good Afternoon Christina,

I've dropped the UIC packet for the NBU #10-18W in the mail today. I've attached an electronic copy as well. This well recently passed MIT but we have not received any documentation yet so it is not included.

Thanks!
